## Foundation Focus

Education Together Foundation is excited to report an outstanding 2022-2023 year of providing financial support to the Junction City community through educational grants, scholarships, and endowments. We would like to thank our donors, JCHS Alumni and local businesses that continue to support our students.

Because of their ongoing support, our board was able to present Junction City high school seniors and Graduates with 99 scholarships and grants, totaling **\$134,225**, during our Awards Night that took place on Tuesday May 16, 2023, marking our most successful year since the organization was founded in 1987.

This great year would not have been possible without the support and hard work of our ETF Board. I would like to acknowledge and thank Dr. John Hunts, Nancy Gifford, and Janet Gibson for their many years of service to our board. I am extending an invitation to any JCHS Alumni or JC resident interested in joining our board. Please reach out!

-Kara McDaniel, Chair 2023-24
